- **Downtime reduced (as little as 48 hours)**
- **Restored to original OEM specification**
- **Guaranteed**

We can repair the following :-

- Bent Rods
- Scored Rods
- Leaking Seals
- Dented Cylinders
- Scored Cylinders
- Rusty or Pitted Chrome
- Worn or Damaged Mounts

Our Experience and Technical Advantage

Our dedicated repair workshop is equipped with high quality plant and machinery. It specialises in hydraulic ram repair so all jobs receive the priority they need. Our staff have many years experience in the business and we operate a quality management system giving proven results.

The Nicol & Andrew Promise

Every ram is dismantled and assessed, a report and quotation is then passed to the customer for approval. If you, the customer decide not to proceed for any reason we will reassemble your ram completely free of charge. We do not believe in giving our customers false or unrealistic information, and we promise faithfully a quality, no nonsense, value for money service.

Collection and Delivery

We operate our own vehicles and also use a reliable carrier service, so no matter where you are, access to "The Premier Hydraulic Ram Repair Service" is only a phonecall away
